Dear Mr. Brodak,

Congratulations! We are pleased to grant BatsBirdsYard BCI's "Bat Approved" certification for the following bat houses: Single-Cell, Double-Cell, Triple-Cell, Four-Cell, and Five-Cell. This certification is good for two years, ending April 9, 2012. We will list your approved design on BCI's Web site (www.batcon.org). Please inform BCI of any changes to this design made during the approval period.

BCI appreciates your commitment to building quality bat houses. Please give me a call should you have any questions.

Sincerely,
